

Hammer and Chisel, the technology of writing evolved.

Usage of Ink oriented tools (Be careful not to smear!)

Babylon is one of the world's leading dictionary and translation software

אלוהים - It's more hurtful when carrying this thing around on your skin forever!!!

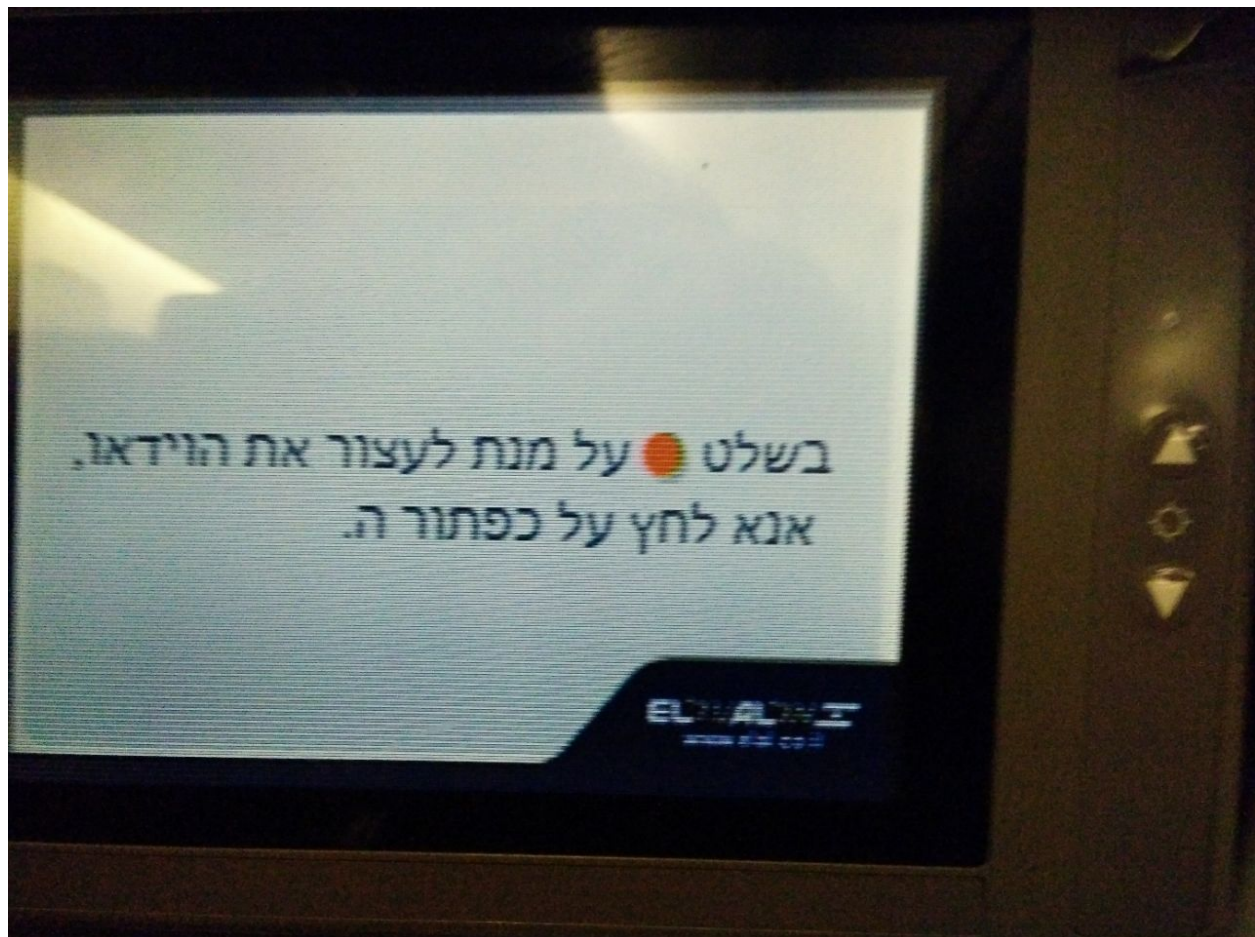

Completely messed up Persian/Arabic tattoo (Should be Maria - ماریا).

Completely Mirrored Hebrew (not the only mistake here).

A message appeared on the screen of the plane on our way here (The Israeli National Flight Company).

General RTL failure:

Completely Mirrored Persian Test:

يخالفن هتا هتفك علي ييب
تلاش باء هانف و نلج هه

A brand new bug discovered and reported today:
